## *about*

Since opening our doors at the Chinook Centre in 2014, we have become a mainstay in South Calgary where guests are offered our warm brand of hospitality, ideal for business lunches, family dinner, corporate gatherings, and really any occasion that calls for celebration. We serve Italian with a modern twist in a vibrant two-story space, and our guests have come to know us as the local eatery with a beautiful setting – never fussy but always delicious.

Double Zero is a welcome departure from what is expected from a pizzeria. While our recipes are firmly rooted in Italy, a great deal of ingredients are sourced locally from the finest Alberta farmers and producers to fill out our menu of entrées and salads. We have an expansive wine list filled with top-rated vintages, selected to compliment all the flavours of our food menu. Internationally renowned beers available by the bottle or draught provide a second-to-none environment for any event.

## *downstairs*

Walk straight in from Chinook Centre to the Osteria on the main floor. This is a casual space to gather with your friends and family to enjoy both great food and drink while experiencing the Italian tradition of companionship. With a communal table that seats up to 24 guests for family style dining and a gorgeous open space that can accommodate a cocktail party of 50 to 100 guests, the Osteria is made for celebration.

## *upstairs*

Head up stairs to the Dining Room and feel welcome in this grand space which includes an open kitchen. With an outdoor patio, amazing prairie sky views, and contemporary design details, your group of 30-190 is treated like family.
