chinook

about

Since opening our doors in the downtown Core in April 2011, we have become the perfect destination for business lunches, family dinners or corporate gatherings. With our newly opened Chinook location, we are proud to offer multiple locations within Calgary to serve you better!

Double Zero is a welcome departure from what is expected from a pizzeria. While the recipes are firmly rooted in Italy, a great deal of ingredients are sourced locally from the finest Alberta farmers and producers to fill out our menu of entrées and salads.

We have an expansive wine list filled with top-rated vintages, selected to compliment all the flavours of our food menu. Internationally renowned beers available by the bottle or draught provide a second-to-none environment for any event.

downstairs

Walk straight in from Chinook Centre to the Osteria on the main floor. This is a casual space to gather with your friends and family to enjoy both great food and drink while experiencing the Italian tradition of companionship. With a communal table that seats up to 24 guests for family style dining and a gorgeous open space that can accommodate a cocktail party of 50 to 100 guests, the Osteria is made for celebration.

upstairs

Head up stairs to the Dining Room and feel welcome in this grand space which includes an open kitchen. With an outdoor patio, amazing prairie sky views, and contemporary design details, your group of 30-190 is treated like family.
